PRODUCT DATA SHEET

ABO19 WALL DESK

The ABO19 is a minimalist wall desk designed by Anker Bak. Drawing on his own experiences of Japanese tiny living, the desk displays a pared-back, harmonious expression. Designed as a versatile and functional solution for small spaces, the desk features a slim, FSC-certified oak veneer or laminate tabletop with a softly rounded edge, supported by stainless steel wall mounts. The ABO19 Wall Desk comes flat-packed for easy assembly.
