# Arum Portable Lamp

The Arum Portable Lamp is a versatile and mobile lighting solution. This petite, portable LED lamp is rechargeable via USB-C, allowing you to create a cozy setting anywhere you go. While it echoes the shape of the Arum Table Lamp, this portable version is crafted entirely from powder-coated iron and aluminium, offering durability and a sleek finish. Its design maintains the collection's signature elegance and balance, with its petal-shaped shade appearing to float from the stem-like rod. The lamp features a three-step touch dimmer, providing adjustable ambient lighting to suit your needs.
