

LOOP STAND HALL & WARDROBE

PRODUCT FACT SHEET

LOOP STAND HALL & WARDROBE

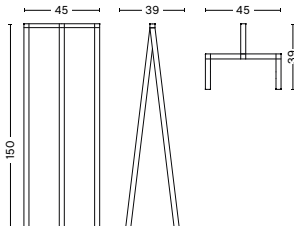

DESIGN BY LEIF JØRGENSEN, 2006

Loop Stand Hall and Loop Stand Wardrobe are simple and functional clothing stands characterised by their elegant and graphic three-pillared design. While the Loop Stand Hall is ideal for compact spaces, the Loop Stand Wardrobe is a larger model that offers extra storage capacity. Available in several different colour options, their uncluttered aesthetics make them suitable for hanging clothes in a variety of private or public environments.
