

Egal Boards

Egal ist hier nur der Name. Bei der Verwandlung des Regalklassikers in sechs verschiedene Sideboard Varianten haben wir natürlich nichts dem Zufall überlassen. Füße aus Stahl, verzinkte Rollen oder Schiebetüren aus poliertem Edelstahl heben das Möbel auf eine neue Ebene. Ob Sideboard, Lowboard, Rollboard, Rockboard, Highboard oder Sitzboard – das Spiel der Möglichkeiten kann beginnen.

Egal (German for however) is just the name. When transforming the classic shelf into six different sideboard versions, we naturally left nothing to chance. Feet made of steel, galvanised castors or sliding doors made of polished stainless steel take the furniture to a new level. Whether Sideboard, Lowboard, Rollboard, Rockboard, Highboard or Seatboard – the choice is yours: let's play.
