

Toolbox RE

Arik Levy, 2010

vitra.

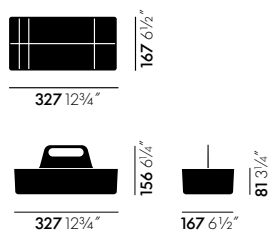

Toolbox RE is a practical organiser for storing and transporting small work utensils and accessories. Made of recycled plastic from industrial waste, the portable caddy is itself 100% recyclable at the end of the product's lifespan. Toolbox RE comes in a selection of colours.

- **Material for Toolbox RE in diverse colours:** post-industrial recycled ABS plastic, 100% recyclable.
- **Material for Toolbox RE in grey:** recycled polypropylene, 100% recyclable.

Outdoor applications: suitable for use in outdoor conditions on a temporary basis. Avoid prolonged exposure to rain, snow or direct sunlight. Product may be kept in covered outdoor spaces protected from the elements.
